**2. PHOTOGRAPHY/VIDEO/MEDIA RELEASE \***

During the school year, schools have events the news media and the district may want to feature. A representative may be on campus to gather photographs and/or video footage.

In addition, parents and students may take photos of events in classrooms or around schools. These photos may be posted on the Internet or otherwise distributed without the permission of the school. Your child's participation in these events is valued, and parent permission is needed to include him or her in events where photography may take place.

Parents/Guardians who prefer that their child not be photographed or videotaped must notify their school by using this form. Schools make every effort to ensure the wishes of the parent/guardian. Please be aware that photographing and videotaping by a device such as a cell phone may take place without the knowledge of the teacher, principal or district staff.
